# OUR GROUP & LEGACY

---

**ServiceDeed** is a trusted name in professional wastewater management and environmental solutions, backed by a strong legacy of excellence.

We are a proud part of **Key Professional Solutions (KPS)**, a well-established organization delivering advanced water management and treatment solutions since 2011.

With over a decade of experience, our multi-level expertise allows us to position ourselves as a safe, reliable, and trusted service provider. We handle everything from system design to execution and long-term maintenance under one roof.

## Our Specialized Divisions

---

### 1. Key Professional Solutions (KPS) – Since 2011

Focused on industrial and large-scale projects, delivering end-to-end STP, ETP, and customized systems.

### 2. Basic Solution – Since 2016

Dedicated to providing cost-effective wastewater management solutions for SMEs.

### 3. ServiceDeed – Founded 2021

Our specialized platform offering on-ground execution and maintenance services.

## Our Vision

To become a leading integrated service provider in water management, environmental solutions, and professional services, known for quality, innovation, and customer satisfaction.

## Our Mission

To provide sustainable, efficient, and technology-driven water and wastewater solutions that help industries and communities operate responsibly while protecting the environment.

# THE SERVICEDEED STORY & STRENGTHS

---

## Our Journey

Founded in 2021, ServiceDeed started with a clear mission: to provide reliable, professional, and affordable STP/ETP Plant Maintenance, AMC, and Cleaning services across Gurgaon, Manesar, Bhiwadi, and Dharuhera.

What began as a small team of technical experts has rapidly grown into one of the most trusted names in sewage treatment plant services across the NCR region.

Today, we proudly maintain and clean hundreds of STP and ETP plants every month, ensuring complete pollution board compliance. Our success is built on timely service, transparent pricing, and skilled technicians.

## Why Choose Us?

- **10+ years** of industry experience within our group.
- Multi-division expertise under one unified roof.
- Skilled manpower paired with modern, mechanized equipment.
- Strong focus on safety, compliance, and sustainability.

## Credentials & Trust

- ✓ **ISO Certified**  
Ensuring quality and standardized processes.
- ✓ **MSME Registered**  
Supporting compliant business practices.
- ✓ **Federation Associated**  
Recognized by Industrial & Environmental Federations.

# SPECIALIZED B2B SERVICES

---

ServiceDeed operates as the specialized execution platform, focusing entirely on delivering reliable, timely, and professional services to industries and commercial properties.

## 1. STP & ETP O&M

---

End-to-end Operations and Maintenance for Sewage and Effluent Treatment Plants. We provide certified operators, execute daily monitoring, and guarantee regulatory compliance.

## 2. AMC Services

---

Comprehensive Annual Maintenance Contracts. Securing your investment through regular preventative inspections of vital hardware and ensuring optimum chemical treatments.

## 3. Tank & Pipeline Cleaning

---

Deployment of mechanized equipment for deep cleaning industrial effluent tanks and systematic descaling of high-volume pipelines to prevent hazardous blockages.

## 4. Drain & Manhole Services

---

Heavy-duty maintenance for foundational infrastructure. We perform rapid-response drain unblocking and mechanized manhole desilting for smooth operations.

# OUR MISSION & VALUES IN ACTION

---

To deliver high-quality, compliant and reliable STP/ETP maintenance and cleaning services that help industries operate efficiently while protecting the environment.

## Customer First

We prioritize timely response, transparent communication, and complete customer satisfaction in every project. Your operational uptime and peace of mind are our primary metrics for success.

## Quality & Compliance

We maintain the highest technical standards. From routine chemical dosing to final discharge reports, we ensure full HSPCB & pollution board compliance in every service.

## Experienced Team

Our certified technicians and engineers have vast, hands-on experience in complex STP/ETP operations and maintenance, ensuring high-stakes infrastructure issues are resolved swiftly.

# TRUSTED BY INDUSTRY LEADERS

---

We take immense pride in securing and maintaining the critical environmental infrastructure of India's top brands, corporate establishments, and industrial powerhouses.
